The Hantle t4000 ATM provides an economical, high performance through-the-wall solution. Designed and built with compact modular components and engineered for easy installation.

The t4000 offers a host of high-end features including a 10.4” Sun-Viewable Color LCD supporting custom screen advertisements and communication via 56K Modem or integrated Ethernet (SSL).

The t4000 is TDES and ADA compliant out of the box, including a PCI/VISA/Interac certified encrypting PIN pad (EPP), a voice guidance system, and lighted action indicators.
